

International Conference on Development and Environmental Economics: SANDEE@25

12–14 December 2025 | ICIMOD, Kathmandu, Nepal

International conference on development and environmental economics: SANDEE@25

12–14 December 2025 | ICIMOD, Kathmandu, Nepal

Guidelines for Paper Submission:

We invite paper submissions from academics, researchers, and policymakers to share cutting-edge research in parallel sessions.

- Submissions should focus on the conference's key themes, including biodiversity loss, climate change, ecosystem, environmental pollution, forest restoration, livelihoods and mountains and people.
- All parallel sessions will be held in person.
- The preferable length of the paper is 4,000-6,000 words and must be submitted in PDF format.
- Submissions must be made by 31 May 2025, via this [link](#).
- Authors of accepted papers will be notified by 31 July 2025, and they must register for the conference by 01 September 2025 to be included in the final programme.
- For queries related to paper submission, please contact us at sandee25@icimod.org.

Guidelines for Panel Proposal Submission:

Panel sessions aim to leverage the expertise of renowned experts to present an insightful, engaging and cohesive discussion on a specific topic aligned with the conference's key areas.

- All panel sessions will be held in person.
- Panel proposals (up to 500 words) should be submitted in PDF format.
- A panel may include up to three panellists and should be moderated by a chair.

International Conference on Development and Environmental Economics: SANDEE@25
